5 To address X, Y, Z, we propose A, B, C

- 6
- 7 (1) A
- 8 (2) B
- 9 (3) C

10 To accomplish this, we propose breaking this down into the following phases:

- 11 (1) P1
- 12 (2) P2
- 13 (3) P3

15 1 Introduction

16 GDOC [1]

17 I'm only writing in LaTeX to force myself to focus. Could do it in markdown, but there's something special

18 about LaTeX that is forcing me to slow down and treat it more seriously. Plus TiKz (yes, there's Mermaid).
